

Welcome to the Faculty Summer Write-a-thon (26.2 hours)

(Website: <http://chemistry.unt.edu/~tgolden/FacultyWritingGroup.html>)

SPONSORED BY THE OFFICE OF FACULTY SUCCESS

The main event is the Marathon – for May - write a total of 26.2 hours on your paper, proposal, book, etc... and become a finalist. Or you can complete the ½ marathon (13.1 hours). You will see a spreadsheet with your teammates listed and each persons' writing times as we go through the month. Everyone who finishes will receive a writing prize.

Also, there will be random weekly competition events in which you can join in and will help you with your writing project. You will get an email from one of the coaches on the start and finish time for each event.

We will have a zoom kick off on Monday May 3rd at noon, grab your lunch and meet the UNT team and tell us about the project(s) you will be working on for the write-a-thon. Each week we will have a zoom lunch get together to update on progress (Tues – May 11th, Wed May 19th, Thurs May 27).

We are so glad that you have joined us for this event and are here to help you and cheer you on.

On your mark – set - let's go!
