SPONSORED BY THE OFFICE OF FACULTY SUCCESS

Event rules: Choose 3 journal articles that are not your own and are an excellent resource (citation) for your writing project. Read them from beginning to end with pen and paper in hand. As you read, when an idea springs to mind from the reading, write it down as a sentence in your own words that could be inserted into your writing project. When finished – chase those ideas down - insert those sentences and expand in the proper places of your writing project.

When finished - email sentences to Teresa Golden at tgolden@unt.edu

1st, 2nd, and 3rd place finishers will be announced.

On your mark – get set – let's go!
